## DB2 for i and you... what's new in 7.2

---

**Date:** Tuesday, June 17th, 2014

**Time:** 5:30 (Deli snack) - 6:00 (Meeting)

**Location:** Cooper Standard  
2110 Executive Hills Court  
Auburn Hills, Michigan, 48326 ([map](#))

**Speaker:** Scott Forstie

**Notes:** Also provided in webinar format. Join remotely through GoToMeeting Details for joining will be provided on [SEMIUG's site](#) and the June meeting [page](#).

Come and find out how the DB2 for IBM i features can help your IBM i databases and applications take a giant leap forward with IBM i 7.2. This session will include an overview of the enhancements that are unique and improved in 7.2.

Whether your role is database security officer, security compliance, database application development, database performance tuning, database performance analyst, database engineer, or database administration, there's a DB2 for i improvement you'll love in 7.2

### About the Presenter

Scott Forstie is the DB2 for i Business Architect, SQL Development team leader and IBM i developerWorks content manager. In addition to his development roles, he is a frequently published author on SQL and database topics (<http://iprodeveloper.com/author/scott-forstie>). He has worked for IBM nearly 25 years, working primarily on IBM i. He can be reached by email or followed on Twitter at @Forstie\_IBMi, where he is trying to mix DB2 for i, business and social.

---

## From the President:

---

Dear Members:

We have an exciting meeting planned for June. Scott Fortsie will present "DB2 for i and you...what's new in 7.2". Scott will share updates and share what's new. There have been a lot of great enhancements that will be useful for everyone.

We will be meeting at a new location this month - Cooper Standard conveniently located near M59 and I75. The meeting can be joined onsite or remotely in webinar format.

Elections will also be held in June. If you haven't done so and are interested in volunteering please contact Jim Thompson - [JThompson2@cooperstandard.com](mailto:JThompson2@cooperstandard.com). Volunteering to run for the board or to help out with activities makes a big difference in helping SEMIUG continue to provide an opportunity for current learning and an opportunity to interact with fellow IBM i colleagues.

If there are topics that you would like to see presented during our 2014/2015 SEMIUG schedule please make sure to share your thoughts. We'll be meeting over the summer to plan for next year. Suggestions for topics greatly help planning.

We look forward to seeing you in June!

Regards,

Laura
