## 7-Minute Presentations

---

**Date:** **Tuesday, May 24**

**Time:** 5:30 (Deli snack) - 6:00 (Meeting)

**Location:** Eaton Corporation  
26201 Northwestern Hwy  
Southfield, MI 48076 ([map](#))  
**Enter at South door, which will be marked with SEMIUG sign.**

**Speaker:** Our own members

For our May user group meeting we are featuring 7 Minute Presentations. The presentations will be provided by user group members to share something useful with our local community. We all have tips, techniques, solutions and information that we have accumulated that we use within our own environments that can benefit others through sharing. The intent of the meeting is to share with others something useful they can take back and make use of within their environments. There is no set format. You can share using slides, sharing screens or simply through discussion. The meeting will be presented on site at Eaton and also in webinar format allowing attendees to join in remotely. The only rules are you have 7 minutes max to share. It can be on any topic related to IT; RPG, SQL, Ops/Admin, RDi, Application Modernization, Cloud, Project Management, Analysis, Design, Utilities, Technical Resources, Education, PHP, Java, .Net, ERP, EDI, time savers, tips/techniques, data analytics...

We know you have plenty to share that can help others.

Would you be willing and able to participate by signing up to do a 7 minute presentation?

---

## From the President:

---

Dear Members:

We have an awesome meeting planned for May. Group members will share tips, techniques and other useful information that you'll be able to make use of. We have a very talented group of members that have accumulated a vast knowledge over the years and in May will share with our local community. You'll be able to join in onsite or remotely in webinar format. Each presenter will have 7 minutes to share.

MITEC, the one-day local conference will be held on Tuesday June 7<sup>th</sup>, 2016. We have an all-star lineup of presentations by world class presenters. The event will feature a student meet and greet. If you are interested in future resource MITEC will help with connecting community with local colleges and students. We will also have an ask the experts session, providing attendees an opportunity to ask and discuss whatever Power topic they like. The event will be held at the Schoolcraft College Vistatech Center located in Livonia Michigan. Attendees will be provided continental breakfast, lunch and snacks throughout the day, prepared by the Schoolcraft college culinary institute. The event will also feature IBM i and a full track of Linux. For more details, visit the conference website [www.gomitec.com](http://www.gomitec.com). Take advantage of the early bird registration good through May 24<sup>th</sup>. We will look forward to seeing you there.

During our May meeting we will award 2 lucky members participating in the May meeting a free registration to MITEC.

Elections for the 2016/2017 SEMIUG board will be held during our June meeting. Please consider volunteering. If you would like to make a difference, it takes little time, please step forward and volunteer. If you would like to be on the MITEC board or would like to help out, please contact any of the current SEMIUG board members. SEMIUG strives to bring an opportunity for current education and is dedicated to our local community. Our board and volunteers help make it happen!

We look forward to your participation at the May meeting and seeing you join other community members at MITEC.

Regards,

Laura
