New to GoToMeeting? Get the [app now](#) and be ready when your first meeting starts.
- Speaker:** Marina Schwenk
- Presentation:** [SQLRPGLE The Better File Access](#)

Overview:

Abstract: We will learn and explore how you can go from record level access to embedded sql and from that how can you streamline your programming process by using embedded sql. We will look at how to handle sql exceptions and go through why you should convert to using embedded sql instead of record level access.

About the Presenter:

Marina started her career in January 2015 at Everbrite LLC in Greenfield WI after graduating from Gateway Technical College in May of 2014 with an Associate's degree in IT Software Development. Marina works as a developer in both RPG and Java and she also is one of two junior IBM i admins at Everbrite. Marina earned her bachelor's degree in Computer Information Systems Software Development from Bellevue University in June of 2017. Marina is also a member of the Wisconsin Midrange Computer Professional Association, Women in IT committee (WIT), a member of COMMON'S Young i Professionals (Yips) committee, a private tutor in English and Programming for students at an associates or bachelor's degree level, a public speaker on topics ranging from RPG, SQL standards and unit testing, and was named a IBM fresh face for 2019. She has also completed two open source projects the first is logging in RPG and IBMiUnit a RPG unit testing framework.
